

Radiance never seen before! Dazzle you can afford!

Aquafoil gives you a wide range of CMYK colors with a sparkling foil finish and an ideal reflection that is priced to give you a true competitive advantage. State-of-the-art features allow you to produce large solid areas as well as reversed out areas of foil. You can produce foiled half tones, gradients and have multiple colors in foil on the same design. The design possibilities are limited only by your imagination, giving your customers an exquisite edge.
