**Window Displays**  
**Hanging Signs**

## GET YOUR MESSAGE OUT WITH OUR HIGH QUALITY LARGE POSTERS!

Our posters are printed on either photo quality, glossy paper stock or a 12 Point C2S. 8mil Photo Gloss is a Pigment / Dye / QuickDry - Photo Quality Glossy material that's slightly delicate. The material is not scuff resistant or waterproof. 12 point C2S Blockout Posters are thicker and more durable, with a semi-gloss surface and block out center layer for 100% opacity. If you're looking to print large scale photos for Conferences, Trade Shows, Product Launches, Events, Contests or the like, our large format posters are the ideal product for you.

- Grommet options available on 12pt C2S
